# Product Range:

- Aluminum, Brass and Steel Forging parts.
- Bar products
- Profile Connectors
- Pins (Standard and Special)
- Machined parts (Starting from 25 Grams) completely machined to your print.
- Bushes & Pins
- Cup washers and Spacers
- Forging parts like Banjo, Clevis Pin, Footrest Pin Bolts& Nuts etc...
- Industrial Keys (Parallel& Woodruff Keys)

# Forging Parts:

## Aluminium Forgings

## Brass Forgings

## Steel Forgings

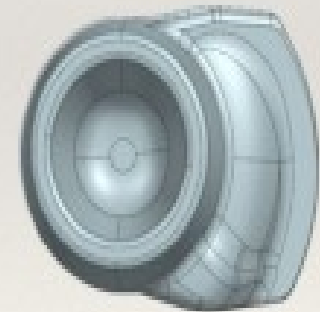

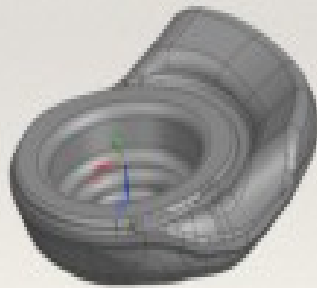

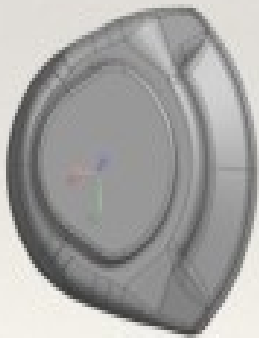

# Forging Parts:

Two wheeler Crank Shafts

Connecting Rods

Ball Joint Assembly

## Ease use of connectors for various industries

- Solar Technology
- Assembly Technology
- Wind Energy Systems

## Technical information

- Material used steel zinc-plated, stainless steel
- Connectors suitable for 8mm slots
- Thread M4 to M8
- Tailor made As per Customer Requirement

# Products – Trust worthy since 50 years

DENO  
India

## We manufacture Industrial Keys as per Standards

- Parallel keys as per IS 2048, IS 6167, DIN 6885, BS 4235
- Woodruff Keys as per IS 2294, DIN 6888 and BS 46
- Gib Head Keys as per IS 2293 and BS 46

# Turned parts in PIN category

## Production methods:

- Cold forming (hexagon socket)
- With flat surfaces (ground or milled)
- Tip-less round grinding

Quality supply for your business

# Quality Certifications:

**We are Certified for  
Quality System  
Compliance in  
accordance with  
IATF 16494:2016**

Maintaining “0” PPM for 15 Years !

# Facility Profile:

## Overview

- Entire area 4834m<sup>2</sup>
- Built area 3302m<sup>2</sup> (current)
- Two production halls
- One office building

## Location

Veerasandra Industrial Area  
Electronic City Phase 2  
E-City, Hosur Road  
Karnataka, 560100 Bangalore

## **Our Services for Relentless Customer Satisfaction**

- Operations managed by ERP System
- Quick turn around for Orders
- Quick Sample developments
- JIT, KANBAN & Stocking programs
- 45,000 Square feet facility for future expansions
- German Manufacturing Process (Being a german company)
- Precision Component manufactureres
- Adaptive working as per Customer Systems

# SUPPLY MODELS:

- JIT
- KANBAN
- Stocking program based on blanket orders
- Customized programs

99% delivery on time

“0 PPM“ Quality for 15 years and “0“ Customer Complaint for 15 years.
